

Organic, Shade-Grown, Fair Trade Coffee For Sale

The ECS Parent Community Organization is partnering with a local non-profit organization called **Building New Hope** to bring a unique monthly fundraiser to ECS. Building New Hope supports a worker-owned and operated farming cooperative in Nicaragua by paying them fair trade prices for their organically grown, shade-grown coffee. Read more about this environmentally sustainable project at <http://www.buildingnewhope.org/coffee.html>

ECS is making a 50% return on this fundraiser. What an easy and great way to support our school and drink some great coffee!

Please turn your order form and check in by the 20th of each month. Put them in an envelope marked PCO COFFEE. Send it in your child's folder or drop the order form and payment off in the school office. **Coffee will be delivered to classrooms and sent home in students' backpacks on the first school day of the following month.**

You may order and pay for just one month or any number of months through the end of the year.

Questions? Email fundraising@ecspco.org or call Kerry at 412-247-5519.

It's good coffee!

The Nicaraguan Coffee is roasted to a light French roast, yielding a medium body, crisp, full flavor cup of coffee. Also available is decaffeinated organic, fair trade coffee, using a chemical-free water process, from cooperatives throughout Latin America.
